

Fantezi Dekorlar

Mobilyalarda taş, metal, mermer, seramik ya da tekstil gibi desenlerin kullanımı son yıllarda artış göstermekte. Fantezi dekorlar koleksiyonumuz birbirinden özgün seçenekleriyle mobilyalara otantik bir görünüm sağlıyor. Düz renk koleksiyonumuzda nötr renklerden canlı vurgu dekorlarına kadar geniş bir renk skalası yer alıyor. Yonga levhaları kenarbantlarıyla bütünleyen renkler, yumuşak kontrastlar yaratmak için de ideal. Gri, bej, kum rengi gibi günümüzde ilgi gören nötr tonları da bütünüyle kapsayan koleksiyon, geniş beyaz renk seçeneklerinin yanısıra birbirinden göz alıcı renklere sahip.
