

High-Gloss ve Super Matt

Perfectsense koleksiyonu, geleneksel kenarbantlarından çok daha fazlasıdır. Yeni nesil mat veya parlak yüzeyler premium bir görünüm sergiler.

Perfectsense Gloss, yüzeye hassas bir şekilde koruyucu lak işlemi uygulanarak üretilir. Olağanüstü bir parlaklık ve pürüzsüz bir yüzey sunar.

Perfectsense Matt, sıcak ve kadifemsi yüzeyiyle diğer kenarbantlarına kıyasla çizilmeye karşı dayanıklıdır. Parmak izi tutmama özelliğiyle mobilyalarda yüksek kaliteli, mat bir görünüm sağlar.
